

# La Salle Academy

Dear Students, Parents/Guardians:

Please find enclosed the Behavior Expectations for the 2021-2022 school year for grades 4-8, which we ask you to read and discuss with your child(ren). In order to maintain a safe, nurturing and Christian environment for the children at La Salle Academy, it is imperative that the school and home, work cooperatively.

We ask that after your review; you sign, detach and return this sheet to your child(ren)'s classroom teacher. This acknowledges your acceptance and commitment to our school policy.

Thank you for your cooperation!
